

Voting Member Opportunity

About SASHA - Southern Alberta Self-Help Association

The Southern Alberta Self-Help Association (SASHA) promotes the independence of adults with severe and/or persistent mental illness by means of supportive housing, programs, and activities in the city of Lethbridge, AB. We have been operating for over 44 years, have an annual budget of \$1.5 million, and are a registered charitable non-profit organization. Through funding from AHS and the City of Lethbridge, we operate four residential homes (three of which we own outright) and serve over 35 individuals. With a long-standing Executive Director at the helm, we have a proven track record of supporting our clients as they find stabilization, develop healthy habits and routines, gain autonomy, build independence, and recognize their contributions to the community. Find out more at: <https://www.sashasupports.org>.

Volunteer Description

We are seeking voting members who represent the community at large. You would be joining an organization with a strong culture and a history of effective professional relationships between voting members, the Board of Directors, and the Executive Director.

We ask that each voting member:

- Be willing to understand and engage in conversations around mental health, homelessness, vulnerable populations, and community relations
- Adhere to our bylaws
- Attend the scheduled general meetings and be an engaged and active participant

Eligibility

You must be at least 18 years of age.

You cannot be paid to provide services to the organization, including receiving income, honorariums, dividends, shared, or transfers of property.
